Two Girls.
Cures When Doctors Fail.
Mrs. Frank Chasson, Patterson,
La., writes June 8th, 1901: "I had
malaria fever in very bad form, was
under treatment by doctors, but as
soon as I stopped taking their medi-
cine the fever would return. I used
a simple bottle of Herbine, found it
helped me. Then bought two bottles,
which completely cured me. I feel
grateful to you for furnishing such
a splendid medicine, and can honest-
ly recommend it to those suffering
from malaria, as it will surely cure
them." Herbine, 50c a bottle at Dr.
C. M. Wittmer's, Marble Hill.

The X-Ray.
Recent experiments, by practical
tests and examination with the aid
of the X-Ray, establish it as a fact
that Catarrh of the stomach is not
a disease of itself, but that it results
from repeated attacks of indigestion.
"How Can I Cure My Indigestion?"
Kodol Dyspepsia Cure is curing
thousands. It will cure you of in-
digestion and dyspepsia, and pre-
vent or cure Catarrh of the Stom-
ach. Kodol digests what you eat--
makes the stomach sweet. Sold by
Dr. S. M. McAnally.

Miss Ida M. Snyder.
Treasurer of the
Brooklyn East End Aid Club.

"If women would pay more attention to
their health we would have more happy
wives, mothers and daughters, and if they
would observe results they would find
that the doctor's prescriptions do not
perform the many cures they are given
credit for."

"In consulting with my druggist he ad-
vised McAnally's Wine of Cardui and Theod-
ore's Black-Draught, and so I took it and
have every reason to thank him for a new
life opened up to me with restored health,
and I only look three months to cure me."

Wine of Cardui is a regulator of the
menstrual functions and is a most ac-
tonizing tonic for women. It cures
scarcely suppressed, too frequent, irregu-
lar and painful menstruation, falling
of the womb, white and flooding. It
is helpful when approaching menopause,
during pregnancy, after child-
birth and in change of life. It fre-
quently brings a new baby to homes
that have been barren for years. All
druggists have \$1.00 bottles of Wine
of Cardui.
